SULLIVAN SOLUTIONS WELCOMES KATHRYN HEITKAMP

As Marketing Manager & Magic Maker for Sullivan Solutions, Kathryn creates effective communication design for print and web media. She is passionate about the direct, positive affect her work has on small businesses and entrepreneurs. Her attention to detail and professional, if not direct, approach is a breath of fresh air.

Kathryn is an accomplished marketing strategist and content creator, drawing on years of professional photography, corporate sales, and throwing of dinner parties.

At Sullivan Solutions, Kathryn joins our team of marketing specialists that drives results for early growth and second-stage entrepreneurial companies. We believe there is no “one-size-fits-all” when it comes to effective marketing- a company’s strengths lie within its individuality.

This core belief is why we take the time to get to know our clients, developing customized plans to suit their needs and objectives. A perfect fit, every time.

Please join us in welcoming Kathryn.
